

Interstellar Moonlight Therapy

Charlie Fenning

I was awarded a grant this past summer through the University of Denver to produce, record, mix, and promote my own album. *Interstellar Moonlight Therapy* was recorded in July of 2011 in a historic wooden home located in the heart of Los Angeles, Ca.

Interstellar Moonlight Therapy features:

Dorian Bon: Guitar

Charlie Fenning: Drums, Tabla

Cary Singer: Bass

Isaac Wilson: Keys

Interstellar Moonlight Therapy is self-produced/ arranged/ recorded/ mixed and co-mastered with friend JP Holland.
